## **CURRICULUM VITAE**

Dr. Liu, Chih Min. MD.

Department of Anesthesia

National Taiwan University Hospital, Taiwan

**(+886)0972-652-224** 

☐ anes65519@gmail.com

## **BRIEF INTRODUCTION**

Dr. Liu has over 20 years of clinical experience in anesthesia and others. He is also a specialist in anesthesiology and intensive care. His expertise lies in temperature management of surgical patients, pediatric anesthesia, intensive care, ultrasound guided vascular access and nerve block, difficult airway management program director, and ERAS Guideline in Normothermia. He hosted many Airway Management and Education Programs/workshops, and also focus on difficult airway management in COVID-19 infected patients including pediatric patients since 2020, he frequently awarded as the Best Tutor Award of College of Medicine, National Taiwan University and National Taiwan University Hospital. He also is a certified CICO lecturer. In 2021, he also voted as the Best Visiting Staff of the Year by his department. Dr. Liu has been invited to present his expertise for Fiberoptic Intubation in difficult airway internationally. He also the member of ERAS committee under Taiwan Society of Anesthesiologists.

Name	Liu, Chih Min	Gend	er	Male	Birth Date		1976/11/4	
Education								
Taipei Medical University M.D.			1995.07-2002. 06					
Working Experience								
Now:	Now:							
National Taiwan University Hospital (NTUH)				Visiting Staff		2009.07- present		
Department of Anesthesiology								
National Taiwan University Hospital, Yunlin			Visiting Staff		2007.07-2009.06			
Branch Department of Anesthesiology								
Department of Anesthesiology, NTUH			Fellowship 2		2006	.07-2007.06		
Department of Anesthesiology, NTUH			Chief Resident		2005.07-2006.06			
Department of Anesthesiology, NTUH			Resident		2002.07-2005.06			
Specialty								
Anesthesiologist					2007	- present		

Intensive care	2010- present			
Pediatric anesthesia				
Airway Management and Education Program Director	2015			
Award: Best Tutor Award, National Taiwan University College of	2017			
Medicine				
CICO Certification	2018
